

Memoir:

Ideas:

- **Reaching the finals at robotics world championship**, cooking with my brother,

Act 1:

- Introduction to worlds, my team
- how The robot works (Team of 7, expectations)
- Getting ready for competition

Act 2:

- Robot breaks
- Problems with auton (fixing it during the night)
- Doing mediocre in qualifications, alliancing with 5th seed, reaching the finals

Act 3:

- We won the first match.
- 1-1, We lost match because of not turning on pneumatics
- 1-2, We got pushed onto low goal to lose
- A reflection on what could have been done better, (description)
- Remorse from not turning on the pneumatics which might have caused our loss
